Early bird $475: approval must be given and your 25% deposit must clear by 13 November 2026. Standard $735: from 14 November. All prices are in Australian dollars and include GST. These rates include one table. Two tables cost $675 early bird or $935 standard, including GST. The same booking deadlines apply.

Each stall is 2.4 m wide and 2 m deep. One 2.4 m × 0.76 m table and two chairs are included if requested by 13 November. Shared facilities, lighting and event support are included. Send promotional material by 13 November to be included in the exhibitor listing and group promotion. Please confirm the layout with us if you need two tables. How to apply

1 Apply online at mehr-mistletoe-stalls.netlify.app (choose your preferred stalls on the floor plan), or email your application to

secretariat@australianlionandsunassociation.com.au

Include your business name, ABN if you have one, contact name, mobile, product list, price range, website or social links, and 1–3 product or stall photos. Tell us your three preferred stall numbers and any table, chair, power or accessibility needs.

We welcome makers and small businesses selling gifts, fashion, jewellery, art, homewares, beauty products, packaged food, books and cultural products. Other categories can apply too. We review the products, presentation and mix of stalls.

2 If accepted, pay your deposit

Pay 25% within five business days of the offer and invoice. Your stall is booked once the deposit has cleared and your product list is approved. Stall preferences depend on deposit order, product approval and venue needs. If your application is approved after 13 November, pay the full amount within three business days of the offer and invoice.

3 Send your documents and pay the balance

Applications close 20 November. Send final photos, equipment needs and insurance by 13 November. If applying later, confirm the document and equipment deadlines with us before

booking. You need at least $20 million public liability insurance, plus product liability cover where relevant. Food and drink sellers must also return Attachment A and its documents.

Pay the remaining 75% within five business days of the balance invoice, and no later than 27 November 2026. Approved kitchen access and Test and Tag fees are included in the balance invoice.

What to bring and do

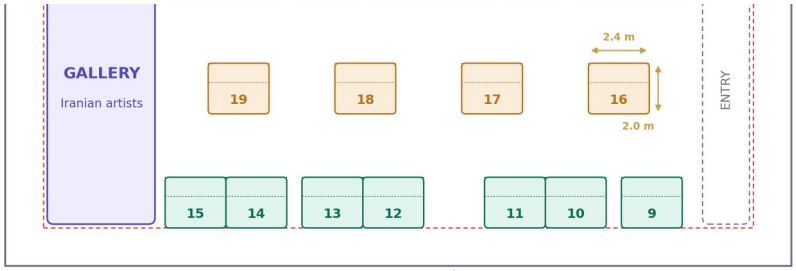

- Bring your table covering, displays, signs, stock, payment equipment and enough staff. There is no accessible venue Wi-Fi; please use your own mobile connection.
- Sell only products the organiser has approved before the market. Keep your equipment and goods inside your stall and keep aisles and exit doors clear. All electrical equipment and leads must carry a current electrical safety label (Test and Tag). If yours has not been done in advance, it is done on market day before use, for $40 per stall.
- Stay staffed until 4:30 pm. Do not pack up early. Food, alcohol, cosmetics and other regulated products need the required permits and labels.
- Sales are not guaranteed. To the extent allowed by law, the organiser is not responsible for theft or loss of your stock or belongings.

If you cancel

If only the 25% deposit has been paid, the deposit is non-refundable and cannot be transferred to another event. If you have paid in full, a refund or credit is available only if your stall is re-sold. In that case 35% of the stall fee is deducted (this includes the 25% deposit), and you may choose either a refund of the remaining 65% or a credit for that amount towards any Australian Lion and Sun Association event within 12 months, subject to availability and product approval. If the stall is not re-sold, no refund or credit applies. If the organiser cancels the event and it is not rescheduled, you may choose a full refund of the amounts paid or a credit for the full amount towards a future Australian Lion and Sun Association event. If a credit cannot be used within 12 months because no suitable event or space is available, the credit amount will be refunded.
